

01 What's in the Box

What You Also Need *Not Included

02 Device Overview

- 1 Power LED
- 2 HDD LED
- 3 USB Port
- 4 Power Port
- 5 Audio Out
- 6 VGA Port
- 7 HDMI Port
- 8 USB Port
- 9 10 12 13 PoE Ports
- 11 LAN Port

03 Installing an HDD or microSD Card

Step 1: Open the NVR

1. Use a screwdriver to remove the four screws on the bottom panel.
2. Slide the top cover upward to open the NVR.

Step 2: Install HDD or microSD Card

Option A: Install a 2.5" or 3.5" HDD (Recommended)

1. Place the HDD into the bay and connect it to the SATA power and data connectors.

2. Align the drive with the mounting holes on the NVR base and secure it using the included screws.

- Screw holes for 3.5" HDD
- Screw holes for 2.5" HDD

NOTE: Use the large screws for a 3.5" HDD and the small screws for a 2.5" HDD. For user-purchased drives, use surveillance-grade only (5400 RPM or lower).

Option B: Install a microSD Card (Up to 512GB)

NOTE: Use the large screws for a 3.5" HDD and the small screws for a 2.5" HDD.

Step 3: Reassemble the NVR

1. Align the side slots and gently press the top cover back into place.
2. Reinstall the four screws on the bottom panel.

04 Connection Diagram

- Step 1: Connect the NVR to Your Router
- Step 2: Connect a Mouse to the NVR
- Step 3: Connect to Power Supply

NOTE: Please leave a minimum clearance of 20 mm (0.78") on the left and right sides of the NVR for proper ventilation.

Step 4: Connect a Monitor to the NVR with a VGA or HDMI Cable (Optional)

NOTE: HDMI and VGA cables are not included.

Step 5: Connect the Camera to the NVR

NOTE:

- The NVR is compatible with all Reolink PoE/WiFi (plug-in) Cameras, and most of Battery-powered Wi-Fi Cameras.
- For more information, please visit <https://supportreolink.com/> and search "Comprehensive Guide to Reolink NVR Hardware Versions".

05 Setting Up Your PoE NVR System

Option 1: Setup via Reolink App

1. Download and launch the Reolink App.
2. Connect your phone to the same network as the NVR.
3. Tap "+" to add the NVR via LAN Scan or IP address.
4. Follow the on-screen instructions to complete setup.

NOTE: For remote access, please enable UID during the initial setup. You can find the device's IP address by logging into your router's management interface.

Option 2: Setup via Monitor/TV

Step 1: Set Up the NVR

When the NVR is powered on for the first time, a setup wizard will guide you through the basic configuration.

NOTE: Create a login password (at least 8 characters). Record and keep the password in a safe place.

Step 2: Connect to Reolink App or Client (Optional)

NOTE: If you need to access remotely, please go to NVR Menu > System > Info and make sure that UID is enabled.

On Smartphone:

Download and launch the Reolink App. Tap the "+" button in the top corner, scan the NVR's QR code, and follow the on-screen instructions to complete the setup.

On PC:

1. Download the Reolink Client from <https://support.reolink.com/> > Download Center > App & Client.
2. Click the "+" button on the client, enter the NVR's QR code, and follow the on-screen instructions to complete the setup.

06 Network Topology Diagram

NOTE: The NVR is compatible with all Reolink PoE, WiFi (plug-in) and most of WiFi Battery cameras and allows the connection of up to 6 cameras.

07 Specifications

Video/Audio Output

HDMI Output: Up to 8MP
VGA Output: Up to 2MP
Audio Output: 1-channel RCA

Decoding

Decoding Resolution: 16MP/12MP/8MP/5MP/4MP/3MP/1080p/720p
Video Format: Intelligent H.265+, H.265, H.264
Synchronous Playback: Up to 4 channels

NVR

Operating Temperature: -10°C to 45°C
Operating Humidity: 10%~90%
Weight: 588g (without HDD)

08 Important Safety Instructions

Please read the instructions carefully before using the device.

1. Replace only with the same or equivalent type of accessories recommended by Reolink.
2. Do not use the device in an environment that exceeds the recommended temperature range.
3. Do not use the device in an environment that exceeds the recommended humidity range.
4. Do not attempt to disassemble, repair, or alter the device by yourself.
5. Always follow the local safety laws and regulations when using the device.
6. The device contains (or comes with) small components, small plastic elements, and other small parts that may cause choking hazards. Keep the device and its accessories out of reach of children. Consult a physician immediately if small parts are swallowed.
7. The device contains (or comes with) cables or cords that may cause strangulation hazards. Keep the device and its accessories out of reach of children.

09 Legal Disclaimer

To the maximum extent permitted by applicable law, this document and the product described, with its hardware, software, firmware, and services, are delivered on an "as-is" and "as-available" basis, with all faults and without warranty of any kind. Reolink disclaims all warranties, express or implied, including but not limited to, warranties of merchantability, satisfactory quality, fitness for a particular purpose, accuracy, and non-infringement of third-party rights. In no event will Reolink, its directors, officers, employees, or agents be liable to you for any special, consequential, incidental or indirect damages, including but not limited to damages for loss of business profits, business interruption, or loss of data or documentation, in connection with the use of this product, even if Reolink has been advised of the possibility of such damages. To the extent permitted by applicable law, your use of the Reolink products and services is at your sole risk and you assume all risks associated with internet access. Reolink does not take any responsibilities for abnormal operation, privacy leakage or other damages resulting from cyber attacks, hacker attacks, virus inspections, or other internet security risks. However, Reolink will provide timely technical support if required. The laws and regulations related to this product vary by jurisdiction. Please check all relevant laws and regulations in your jurisdiction before using this product to ensure that your use conforms to the applicable law and regulation. During the use of the product, you must comply with relevant local laws and regulations. Reolink is not responsible for any illegal or improper use and its consequences. Reolink is not liable in the event that this product is used with illegitimate purposes, such as third-party rights infringement, medical treatment, safety equipment, or other situations where the product failure could lead to death or personal injury, or for weapons of mass destruction, chemical and biological weapons, nuclear explosion, and any unsafe nuclear energy uses or anti-humanity purposes. In the event of any conflicts between this manual and the applicable law, the latter prevails.

10 Notification of Compliance

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

ISED Compliance Statements

This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Limited Warranty

This product comes with a 2-year limited warranty that is valid only if purchased from Reolink Official Store or a Reolink authorized reseller. Learn more: <https://reolink.com/warranty-and-return/>.
NOTE: We hope that you enjoy the new purchase. But if you are not satisfied with the product and plan to return, we strongly suggest that you reset the camera to factory default settings and take out the inserted SD card before returning.

Terms and Privacy

Use of the product is subject to your agreement to the Terms of Service and Privacy Policy at reolink.com
